

Yuca (cassava/manioc)

Yuca, also known as cassava or manioc, is one of the world's most versatile vegetables. Use it fried, boiled or mashed. Perfect as a side dish, in appetizers, as an ingredient with savory flavors or in desserts.

From its raw state to frozen, ready to heat and serve

We are helping chefs, restaurants, industrial kitchens, retail brands, delis and others in the industry rethink their menus and increase appeal among ethnic and mainstream consumers alike.
